

NSSF / NSCA COLLEGIATE SCHOLARSHIP

National Sporting Clays Association (NSCA), in partnership with National Shooting Sports Foundation (NSSF), has established a Scholarship Program. This NSSF/NSCA Scholarship is based on a 4-year degree program and will present a \$5,000 scholarship to an eligible high school senior each year.

It is the responsibility of the recipient to send a copy of each semester's grades bearing the seal of the office of the Registrar to NSCA Headquarters (grades from the internet will not be accepted). Scholarship payment will be made at the end of each semester after grades have been submitted. Summer sessions are excluded from this program. Full-time status (12 hrs. minimum per semester) and a "C" average (2.5 GPA or greater) must be maintained to continue this scholarship. A reasonable lapse in attendance for college approved internship program may be permitted. Continued active NSCA registered sporting clays participation is required.

This application will be for 2013 beginning with the 2013 Fall semester. We expect applicants to be active NSCA participants; however, selection will be based on a combination of scholarship, citizenship and participation in NSCA activities.
