

The following rules will go into effect on January 1, 2011. Please place this page in your 2010 rule book for reference.

Rule IV-J-1-a-i: *On a single target (full use of the gun): If the target is missed with the first shot and an ammo or gun malfunction occurs, preventing the second shot from being fired, the target will be re-attempted. The shooter must intentionally miss the target on the first shot. The second shot will count for either dead or lost. If the shooter breaks the first target on the first shot in this scenario the target will be scored as lost.*

Rule I-C-2-f: Registered Targets. *Advisory Council members are required to have shot a minimum of 500 registered targets each year, including the year immediately preceding their year of election. This requirement must be fulfilled by participation at registered tournaments, not league or monthly targets.*

Rule IV-B-3-e: To be eligible for class prizes, monies and/or awards at State Shoots, a shooter must have shot a minimum of 300 registered targets in the current year, prior to the shoot. *League and monthly targets no longer count towards penalty class minimums.* The Preliminary Events do not count towards minimum targets unless they are held under a separate shoot number. Example: If a shooter does not have a minimum of 300 targets, he/she shall shoot every event at the shoot and win prizes, monies and/or awards in a penalty class, one class above his/her current class. No State Shoot shall require more or less than the 300 target minimum.

Rule IV-B-4-c: To be eligible for class prizes, monies and/or awards at Zone Shoots, a shooter must have shot a minimum of 300 registered targets in the current year, prior to the shoot. *League and monthly targets no longer count towards penalty class minimums.* The Preliminary Events do not count towards minimum targets unless they are held under a separate shoot number. If a shooter does not have a minimum of 300 targets, he/she shall shoot every event at the shoot and win prizes, monies and/or awards in a penalty class, one class above his/her current class.

Rule IV-B-5-c: To be eligible for open, class and/or concurrent prizes, monies and/or awards at the U.S. Open, a shooter must have shot a minimum of 500 registered targets in the current shoot year prior to the U.S. Open. *League and monthly targets no longer count towards penalty class minimums.* The Preliminary Events do not count towards minimum targets unless they are held under a separate shoot number. If a shooter does not have a minimum of 500 targets, he/she shall shoot every event at the shoot and may win prizes, monies, and/or awards in a penalty class, one class above his/her current class.

Rule IV-B-6-b: To be eligible for open, class and/or concurrent prizes, monies and/or awards at the National Championship, a shooter must have shot a minimum of 500 registered targets in the current year, prior to the Nationals. *League and monthly targets no longer count towards penalty class minimums.* The Preliminary Events do not count towards minimum targets unless they are held under a separate shoot number. If a shooter does not have a minimum of 500 targets, he/she shall shoot every event at the shoot and may win prizes, monies and/or awards in a penalty class, one class above his/her current class.

Rule IV-f-6: *Multiple events (12 gauge, small gauges, Side by Side, Pump, etc.) may be held on the same course. If a single course is used for multiple events, shooters must have a significantly different presentation of targets for each event. This can be achieved by varying some combination of shooting location, trap setup and orientation, order of targets, or type of presentation (single, report, true, or following pair." Station Example (using two traps): 20ga – A-B True, 28ga – A on report B, .410 - B on report A Station Example (using three traps): 12ga – A-C true, 20 ga – B-C true, 28 ga- B on report A, .410 – C on report B, S x S – A-B true, Pump – A on report B.*
