Greetings from the President

Welcome to the 100th Texas State Trapshoot. My 1st state shoot was 62 years ago in Wichita Falls. You might say I got the BUG early. Where has the time gone? I promise you will have a good time in San Antonio. Good accommodations, good food and great friends old & new. Royce and crew at NSC will have everything in tip top shape & perfect weather. So whether this is your 1st state shoot or your 40th, come on down and shoot your best score ever. Bring a friend. Make the 100th Anniversary the one to tell your grandkids about. Thanks for allowing me to be your President, and thanks to Gayle for putting up with all my shooting trips. Congratulations to our new HOF inductees, Catherine Heimann and Ron Schroer, 2 very deserving shooters. Good luck & have fun,

The new target requirements shall apply to all team categories. Weather conditions may change the total target requirements. The 400 Championship event targets shall consist of 200 16 yard targets, 100 handicap targets, and 100 (50 pair) doubles targets. Jrs & SJrs need only one zone shoot and the State Shoot, for a total of 800 targets.

A shooter can be on only one team in a given year. The TTA First Vice-President will place the shooter on the team where they rank the highest, but the shooter may request in writing that they be considered for one team over the other.

A shooter who wishes to be considered for selection to the TTA State Teams shall submit a letter of intent to the TTA First Vice-President. This letter must be received on or before December 31 of each calendar year.

A target year shall correspond to the ATA target year. A shooter is awarded a ring especially designed for the TTA State Team the initial time First Team status is earned. There is a form in the back of this program to submit your scores and minimum targets shot for the State Team.

To qualify for a State Team, a shooter must comply with the following:
