**Registered Lady Shooters & Volunteers at the
2012 Ladies Charity Skeet Classic 13-15 April 2012**

5 May 2012

Dear Lady Shooters & Guests,

Thank you all for your enthusiastic participation! We had a very successful 18th ladies charity skeet shoot; together, we raised **\$16,500 to benefit the Wounded Warrior Project**. We also introduced nine new ladies to the fun of shooting skeet via the Novice Event.

Thanks to the continuing support of our wonderful industry sponsors, many dedicated volunteer workers, our helpers at the club, and the support of NSSA and VSSA we plan to host the Ladies Charity Skeet Classic here again in 2013 – most likely the same weekend as this year. The announcement of dates and program for next year will be at the World shoot if not before.

Also new for next year: Dayna and Barry Rich have generously offered to sponsor five new LCSC shooters in the 4-gun HOA event for 2013. Nominations must come from a lady who shot the LCSC in Virginia in 2012. Please send name and contact information to me for “A Rich Sponsorship”. Preference will be given to Collegiate and younger ladies and ladies who have never shot the LCSC at any location. Nominations will be accepted for those who have shot the Ladies shoot but not in Virginia and lady shooters of any age.

Thank you all for all your support! I hope you plan to come again. See you in Virginia next year!

Becky Myers, Chairperson
Ladies Charity Skeet Classic

A SPECIAL THANKS TO OUR MAJOR SUPPORTERS

This year we had 6 businesses or individuals (in addition to the NSSA and VSSA) who made major contributions to our shoot for the registered event awards and other expenses. This is spectacular and we thank them for their extraordinary generosity on behalf of our lady shooters and wounded warriors!

- **KOLAR ARMS** for our Doubles event
- **BLASER USA** for our .410 Bore event
- **ALAMO SPORTING ARMS** for our 20 Gauge event
- **JOHN WATERS** for our 28 Gauge event
- **MURRELL SMITH** for our 12 Gauge event
- **JOHN HAUGH** to fund the embroidered tote bags for the shooters and volunteers and bottled water for the fields
- **BOZARD FORD** to fund whatever we needed.

MORE fun presentations!

KREIGHOFF NOVICE EVENT

This event focuses on lady shooters who are beginners with a shotgun and who have never shot registered clay targets. They started out together as a group with a safety lecture in the Vince Marcum Skeet Pavilion by coaches Dale Cox, Clay Gormish, and Nunzio Litterio assisted by Master Referee Bob Wilkin. That was followed by a morning of instruction on the field. After lunch, shooters and their coaches shot a 50 bird event. Usually the coaches' scores make a difference in the outcome – THIS YEAR the coaches all tied so the Novices ruled the outcome. It appeared as if they all had a great time! The teams

and results of the competition were (reads left to right):

1st Place Team Cox
Teresa Rueda
Lana Vu
Michelle Walker
with referee Alton McDonald and coach Dale Cox

2nd Place Team Gormish
Ashley Walthall
Angela Walthall
Melissa Jo York-Tilley
with coach Clay Gormish and referee Bob Wilkin

3rd Place Team Litterio
Gail Pades-Carter
Catherine Medd
Christine Lange
with referee Jeff Key and coach Nunzio Litterio

Each Novice member of the team received a shell pouch donated by KRIEGHOFF (slightly different for 1st, 2nd, and 3rd.) Angela Walthall was our highest scoring Novice in the competition and received an additional award of a silver bowl.

REGISTERED SKEET EVENTS

Awards to winners of all 5 events and HOA were LCSC-logo engraved pewter awards from Salisbury Pewter to Champion, Runner-up, Third, and Class First; engraved LCSC medals to Class 2nd and 3rd.

This special traveling trophy will be awarded when it is retrieved from the 2009 winner to Meredith Tunick who had the high score (a 190) in the combined .410 and 28 ga. events.
