Welcome to the NSCA 2014 National Sporting Clays Championship

On behalf of the NSCA, I welcome all competitors, sponsors and vendors to the 2014 National Sporting Clays Championship. This year marks the 25th Anniversary of the National Sporting Clays Association. The NSCA is very excited to share the record-breaking Silver Anniversary with each and every one of you.

Congratulations to the recipients of the 2014 Hall of Fame awards. The Hall of Fame inductees for shooting achievements are Pat Lieske, Anthony Matarese Jr. and Scott Robertson. Mike Hampton Sr. is the recipient of the du Pont Service Award. The Hall of Fame Banquet will be held Thursday at 6:30 PM at the Courtyard by Marriott SeaWorld. See Lori Hartmann in Registration to purchase your tickets.

The famous Ladies Tour will be traveling to Downtown San Antonio on Friday with 30 seats available. The bus leaves at 8:15 AM and returns at 4:30 PM. See Lori Hartmann in Registration to purchase your tickets.

Opening Ceremonies will be held Friday evening at 6:30 PM.

The Championship Party, presented by Sportsman's Insurance Agency, will be Friday night at the Club House. The annual Top Gun Shoot-Out, presented by Liberty Golf Cars and RE Ranger, will be held in the Shoot-Off Stadium Friday night as well. Top sporting clays shooters from around the country will battle it out to see who the 2014 TOP GUN is! For all first-time attendees, this is a show you don't want to miss! All attendees will have a chance to win many prizes from RE Ranger!

The K-80 Sovereign Grade raffle gun will be drawn Friday evening. All proceeds benefit Team USA and the NSSA/NSCA All-American Teams. Special thanks to Kriehoff International for their generous donation!

New this year will be the North vs. South Shoot-Off held in the stadium on Saturday, the 25th at 7:30 PM. Top shooters from above and below the Mason-Dixon line go head to head against one another.

Two lucky winners of the E-Z-GO Team USA Shooting raffle carts will be drawn Friday evening. 100% of proceeds benefit Team USA! Special thanks to E-Z-GO for their gracious donation! Visit the Team USA tent to purchase your tickets.

Guns will be given away daily through qualifiers held all day on skeet field four near Vendors Row. Make sure you keep an eye on the scoreboard as well as reading your nationals text messages to see if you are in the qualifier.

Ronald McDonald Kids and Clays, "Official Charity of the NSCA," silent auction will be held Saturday evening along with the drawing of the Kids and Clays annual raffle.

Kolar Arms has once again donated a National Sub-Gauge HOA Champion Ring in addition to the annual National Championship Main Event HOA Champion Ring. Special thanks to Kolar Arms for their generous donation!

Our sponsors are a critical element in the continued success of the National Championship. Be sure to visit them on Vendors Row and support those that promote our sport! Have a safe and enjoyable stay in San Antonio!

Shooters are urged to check their scores each day as corrections to awards will not be made unless Registration is notified prior to shoot-offs beginning or, in the case of awards not involved in ties, before 8 PM Sunday, October 26.

Exception: Shooters needing to file a protest on an occurrence that happened on the last flight of the day must immediately report to Shoot Management for instructions. All protests must be made in accordance with NSCA or FITASC rules and will be decided by the Protest Committee whose decision is final.

12	1 1/8	28	3/4
20	7/8	.410 (2 1/2")	1/2

INCLEMENT WEATHER/LIGHTNING PLAN OF ACTION - At the first sign of an approaching storm, local Doppler radar will be monitored for the direction and severity of the storm. At the same time, shoot management will be strategically positioned to monitor the approaching storm for lightning and any other potential dangerous elements.

At first sight of lightning (by and/or relayed to any shoot staff), a cease-fire will be called immediately via PA system and by shoot management to each field where PA is not available. All fields will be cleared of both participants and staff, with all taking cover in available areas, i.e.: Club House, Vendor Buildings, vehicles, etc.

Shoot management will continue to monitor lightning strikes, starting a new time clock with each observed strike. At the duration of 20 minutes with no strikes, shoot management will begin the process of returning participants to the field(s) to continue with shooting. By starting this process at 20 minutes, the total elapsed time from the last strike until shooting begins is anticipated to be 30 or more minutes.

The above process will be repeated for any and all storms/lightning strikes observed.

In the event of any other dangerous elements of an approaching storm, such as extremely high winds/tornado or hail, the same cease-fire and field evacuation procedures as above will be implemented as soon as the danger is realized.

CLAYS CARS - Individually-owned clays cars, gators, mules and other similar vehicles are allowed or, if you prefer, clays cars may be rented. No ATV or 4-wheelers allowed. You must be at least 18 years old to operate a clays car. Special rules apply and permits are required for both personal and rental carts. Personal cart forms can be downloaded from www.mynsca.com. A \$10 trail fee is required for all personal carts. A cart permit will be issued upon NSCA receiving the trail fee and verifying insurance. For more specific information, call Lori Hartmann at 210-688-3371 ext. 116. Rental Golf Cart forms are available at nscarental.com or contact Dever at 859-455-9586 or by email at info@deverinc.com.

PERSONAL CART INSURANCE - NSSA-NSCA-NSC has implemented a policy that proof of liability insurance is required for operation of personally-owned carts at the facility. Minimum liability, such as written for auto policies, for injury/accident is what is required. The policy is required to have reference to the cart that is to be operated and often can be added to current auto or home owner policies. Proof of insurance can be sent prior to your arrival via email to Lori Hartmann at lhartmann@nssa-nsca.com or by US Mail to:

NSCA
Lori Hartmann
5931 Roff Rd
San Antonio, TX 78253

Upon arrival, a permit, which is to be displayed on the cart, will be available for pick-up in the Club House Pro Shop. If you are unable to send insurance in advance of arrival, simply bring your proof of insurance into the Pro Shop when you arrive and a permit will be produced and issued.

SOLICITING - No literature of any kind may be distributed on the grounds without prior approval of the NSCA.

SAFETY REQUIREMENTS - Mandatory eye and ear protection— all persons, spectators, shooters, referees and trap personnel must wear eye and ear protection on the course. Spectators and contestants assume all risks resulting from accident or loss of property occurring on the National Shooting Complex property.

GENERAL INFORMATION (CONT.)

OTHER INFORMATION - NSCA Shoot Management reserves the right to alter or cancel any part of this program if conditions warrant. No refunds for withdrawals will be made because of weather unless the event is cancelled. Management decisions are final. In accordance with NSCA rules, Shoot Management may refuse any entry or cause the withdrawal of any contestant who annoys, endangers or interferes in any way with the harmony of the shoot or, in management's opinion, whose conduct is unsportsmanlike.

NATIONAL CHAMPIONSHIP RING

Donated by

**NATIONAL SPORTING CLAYS
MAIN EVENT CHAMPION**

KOLAR RING PROGRAM

Kolar Arms recently confirmed their commitment to the NSCA National Championship ring program that has been in place for over two decades. Kolar President, John Ramagli, elaborated on the history of the program and clarified the policy in place to recognize multiple year winners. "The program has been in place since 1985 for NSSA Skeet and was initiated by former Kolar owner Don Mainland as a way to recognize National Champions in that sport. Phil Murray was the first person to win the NSSA ring. It was adopted for sporting clays starting in the early 1990s, but we also went back and awarded rings to the NSCA National Champions who won the Nationals before the program was in place for that sport." Ramagli said Kolar even went so far as to retrospectively award a ring to 1989 Nationals winner Jim Jamison, winner of the first ever NSCA Nationals, held at Minnesota Horse and Hunt, along with all other previous winners.

In 2010 Kolar initiated a second NSCA program – the Sub Gauge Championship HOA ring, which is awarded each year to the shooter who wins the combined high sub gauge score across all three gauges at the National Championship. Sub gauge shooter extraordinaire, Scott Robertson, was the first ever NSCA Sub Gauge ring recipient. Ramagli says the sub gauge ring is a very special award – and has a distinctive look to it, setting it apart from the ring that is awarded for the Nationals' Main Event.

Ramagli explained the policy for acknowledging multiple-year Champions this way. The first time a shooter wins HOA at the Championship he is awarded a ring, which is augmented with multiple diamond

chips in the ring bezel upon winning a second Championship. A third Championship earns a proportionally-sized diamond in the large stone. A second ring would be awarded upon winning a fourth Championship, should that occur. The rings are funded entirely by Kolar and are crafted by Jostens, maker of fine rings used to acknowledge championships and

events by professional sports leagues like the National Football League, Major League Baseball, National Hockey League, National Basketball League and NASCAR.

"We've committed to the ring program with the NSSA and NSCA for years to come," said Ramagli, after having recently re-confirmed the award guidelines and protocol with NSCA Executive Council Chairman Steve Schultz and Vice Chairman John Calandro III, who worked with Kolar to come to a common understanding of how the program will work into perpetuity.

"The Kolar ring program is just one example of how our industry partners try to raise the bar for our game of sporting clays," said Calandro. "I am sure the top competitors will go out of their way to thank John for all of his extra sponsorship this past year."

UNITED STATES SHOOTING TEAM

The race for positions on the 2014 TeamUSA Sporting and FITASC is now complete. Selection to TeamUSA is the highest annual honor earned by NSCA members who will represent the association and the USA in international competition. TeamUSA designation is determined by points earned in a series of selection shoots.

Five teams each are selected for Sporting Clays and FITASC: Senior (Open), Lady, Junior, Veteran, and Super Veteran. For Sporting, five (5) members are selected to the Open team and three (3) to concurrents. For FITASC, four (4) members are selected to the Open team and three (3) to concurrents. One alternate is named for each team.

Earning a position on TeamUSA is a great accomplishment and we would like to congratulate the top 10 competitors in each category. Representing the USA is a very rewarding experience and one in which a shooter can take great pride.

Please join us in congratulating these individuals!

The final travel teams to be finalized shortly will represent you in international competition at:

ROUNDS

In our ongoing pursuit to make the best Target shotgun possible, Caesar Guerini has created the Invictus. Featuring the greatest advancement in over-and-under durability in many years - the Invictus System. For the first time you can measure the lifespan of your shotgun not by how long you can shoot it, but how long your children and grandchildren can. Unfortunately we might have to consider updating that Lifetime guarantee. To see how the Invictus system works along with an extensive list of new features visit our website today.

NSCA Scholarship Winner, Drew Lieske

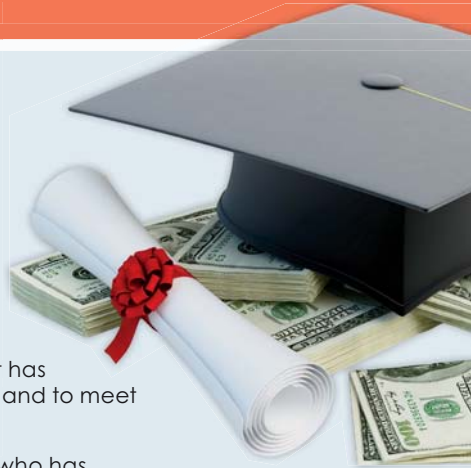

I am very thankful to be the recipient of the 2014 NSCA scholarship. As the son of a shooting range owner and professional shooter, the shotgun shooting sports have been an integral part of my life for as long as I can remember. Promoting and advancing the shotgun shooting sports has been one of my passions that I have been able to explore through my involvement as a shooter, secretary to the Michigan Sporting Clays Association, and NSCA national delegate. I feel very fortunate to be a part of a sport that has allowed me discover new opportunities in life and to meet some of the most gracious people.

I cannot give enough thanks to everyone who has supported me throughout my entire shooting career. The continued support and encouragement from my parents, family, friends and sponsors have taken me across the country and around the world. I would like to particularly thank my coach and father, Pat Lieske, who has unquestionably been an imperative key to my accomplishments in both the sporting clays world and beyond.

I have come a long way in this sport since I started pulling the trigger for the first time, now almost seven years ago. At my first big shoot (the 2008 Michigan State Championship), I placed dead last with a score of 93 out of 200. I have since progressed to a Master class shooter with two top 3 Michigan State Championship podium finishes under my belt in addition to several Big Blast and US Open junior champion finishes. The highlight of my shooting career thus far has been making the 2014 NSCA Team USA FITASC along with my father, which set NSCA history for the first

parent and child to ever make the team together.

I will be utilizing the 2014 NSCA scholarship to help in furthering my education at Hillsdale College in Hillsdale, MI this fall. I plan to pursue a degree in finance or marketing while also participating as a member of the Hillsdale College shooting team. I believe that the shotgun shooting sports will forever be a part of who I am. Thanks again to the NSCA and its members who have together cultivated an incredible sport to be involved in.
