- (b) **Life Member Emeritus.** Voluntary status for life members prior to May 1, 2002. When a Life Member becomes inactive by not shooting registered targets for one shooting year they will automatically be placed in Life Member Emeritus status and will not receive Headquarters mailings, a annual classification card and monthly issues of the Skeet Shooting Review. When they resume shooting registered targets, their full membership privileges will automatically be reinstated.

 - (i) Any action required by the Act to be taken at a meeting of the members or any action that may be taken at any meeting of the members pursuant to the Act, the articles of incorporation, these Bylaws or otherwise, may be taken without a meeting if a consent in writing, setting forth the action to be taken, shall be signed by a sufficient number of the members as would be necessary to take that action at a meeting at which all of the members were present and voted.
 - (ii) Each written consent shall bear the date of signature of each member who signs the consent. Delivery shall be by hand, certified or registered mail, return receipt requested, electronic mailing or facsimile.

(iii) Prompt notice of the taking of any action by members without a meeting by less than unanimous written consent shall be given by the Secretary to all members who did not consent in writing to the action.

(iv) A telegram, telex, cablegram, or similar transmission by a member or a photographic, photostatic, facsimile, or similar reproduction of a writing signed by a member shall be regarded as signed by the member for purposes of this Section.

ARTICLE 3. CORPORATE SEAL

The Association shall have a corporate seal bearing the words, "NATIONAL SKEET SHOOTING ASSOCIATION - CORPORATE SEAL." Such seal shall be affixed to official documents of the Association but failure to affix the seal shall not invalidate any corporate act otherwise valid.

ARTICLE 4. DIRECTORS

Sec. 1 - BOARD. The Board of Directors shall consist of members IN GOOD STANDING to hold office as follows: Members of the Board of Directors shall be bona fide residents of and be elected from the VARIOUS STATES OF THE UNITED STATES AND FROM THE PROVINCES, TERRITORIES OR SIMILAR POLITICAL SUBDIVISIONS RECOGNIZED BY THE ASSOCIATION in ratio of one Director for a member population of 25 to 150; two Directors for a member population of 151 to 300; three Directors for a member population of 301 to 500; four Directors for a member population of 501 to 750; and five Directors for a member population over 750. One additional Director shall be elected by each of the following armed services of the United States: Army, Air Force, Navy, Marines and Coast Guard. The Board of Directors at its annual meeting shall elect five Directors-At-Large in even numbered years. All Directors-At-Large shall have full voting rights during their entire term of office.

The Association of Rod and Gun Clubs - Europe and the Association of Rod and Gun Clubs - Asia may elect one Director each. These Directors will serve in Zone 9, making a total of seven Directors in that Zone (Army, Navy, Air Force, Marines, Coast Guard and one each from Europe and Asia). Any member having an APO or FPO address has status as a member of the respective association of Rod and Gun Clubs for the purposes of the Association. Foreign Nationals or U.S. civilians having no status according to the Status of Forces agreements between the United States and Foreign governments will be listed under the country in which they reside and will vote for Directors in that country.

Sec. 2 - TERMS. Terms of office of all Directors (including Directors-At-Large) shall be two years. All terms shall commence on January 1 following the year in which the Director was elected and shall continue until the latter of December 31 two years hence or until a successor has been elected and qualified.

Sec. 3 - VACANCIES. Any vacancies occurring on the Board of Directors in the office of a territorial member shall be filled for the balance of the unexpired term by the person from the same territory receiving the next lower number of votes in the same election as the retiring Director. Should the next lower number of votes be held by more than one person or should the person next in line by reason of having the next lower number of votes be a write-in candidate who, upon being notified, signifies that he does

not choose to serve, the President of the state association with such vacancy shall make an appointment to fill the vacancy. A vacancy occurring in the office of a Director elected by the Board of Directors shall be filled for the unexpired term by the Board of Directors.

Sec. 4 - ELECTIONS.

(a) Certification. On January 1 of each even numbered calendar year the Executive Director shall determine, from the membership rolls of the Association as of December 31, the number of Directors for which each state, province or similar subdivision is entitled to vote and shall certify the same to the Executive Committee. Such committee shall forthwith inspect, correct, amend and approve such certification in accordance with Article 4, Sec. 1 hereof, and thereupon, the Secretary of the Association or the Executive Director shall prepare, certify and cause to be published the notices of election hereinafter provided.

(b) Notices of Election. Notices of election, over the signature of the Secretary of the Association or the Executive Director, shall be published in the March and April issues of the Association's official magazine. In the same issues on the same pages or on pages opposite to such notices there shall appear an alphabetical list of states, provinces, territories or other subdivisions recognized by the Association, together with the number of positions to be filled at the ensuing election, and the names of the incumbent Directors. Such notices shall contain a further statement to the effect that any member who fails to receive an official ballot may request a replacement ballot be sent to them up to the June 30 deadline for voting.

(c) Nominations. The Executive Committee may provide for nominations of Directors by the various states and other associations, and for the publication of the names of such nominees. Provided, however, that no system of nominations shall be adopted which shall prevent "write-in" votes on the official ballot.

(d) Ballots. The Executive Director shall send an official ballot to each individual member in good standing of the Association. Such ballots shall be sent as soon as practicable after May 1 of each election year so as to reach the members with ordinary certainty prior to June 1 of said year. If an individual member does not receive an official ballot the member may request a replacement ballot be sent to the member up to the June 30 deadline. Provided there are no Directors to be elected in any election year from any state or other recognized subdivision, no ballots need to be sent to individual members from such state or subdivision. Ballots shall be headed "OFFICIAL BALLOT – ELECTION OF DIRECTORS – NATIONAL SKEET SHOOTING ASSOCIATION." There shall be printed on the ballots the number of Directors to be elected from the member's state or subdivision and an instruction to vote for not more than such number of Directors. The ballots shall contain a sufficient number of lines, adequately spaced, on which the member may write the names of candidates for whom the member votes. Members cannot cast more than one vote for one person. Each ballot must also provide space for the member's signature, address and Association number.

(e) Counting. Only ballots received at the Association offices by midnight of June 30 may be counted. Counting shall commence on July 1. Ballots may be declared void if received late, if illegible, if improperly signed or if either member or one or more of his

candidates is ineligible to vote or receive votes. The nominee who receives the highest number of votes shall be declared elected. In the event of a tie for a state Director position, a run-off ballot to determine the winner will be sent to the members in that state on or about July 1st and must be returned to the Association no later than July 31st.

(f) Results. All Directors elected shall be notified by letter (or other acceptable electronic means) as soon as practicable. If no Director is duly elected, the state, province or other group entitled to representation shall have a Director appointed by the president of their state association to serve until the next regularly scheduled election.

(g) Protests. Protests of any election may be made only by a member of this Association and only as to his own state or subdivision election. Such protest must be in writing and shall be filed with the Secretary of the Association at least five days prior to the next regular meeting of the Board of Directors following the protested election. The Board of Directors shall be the sole judge of elections and its decision shall be final. If no protest is filed, ballots may be destroyed.

Sec. 5 - POWERS. Management of the Association shall be vested in the Board of Directors. Voting rights of all Directors will begin January 1 following the year they are elected and continue until the later of December 31 two years hence or until a successor is elected and qualified.

Sec. 6 - MEETINGS.

(a) Annual Meeting. The Board of Directors shall meet annually during the World Skeet Shooting Championships. Notice of the time and place of such annual meeting shall be sent to each Director at least 15 days prior to such meeting.

(b) Special Meetings. Special meetings of the Board shall be called by the Secretary, on direction of the President, or upon the written request of at least 15 Directors. Notice of time, place and business to be transacted at a special meeting shall be sent to each Director at least 15 days prior to such meeting. No business may be transacted at a special meeting unless included in the notice thereof.

(c) Quorum. At any annual or special meeting of the Board of Directors, 33-1/3 percent of the elected Directors shall constitute a quorum.

(d) Voting. The affirmative vote of a majority of the Directors present at a meeting at which a quorum is present shall be the act of the Board of Directors, except as may be otherwise specifically provided by law, the articles of incorporation or these Bylaws.

(e) Voting by Proxy Prohibited. Voting by proxy by the Directors shall not be permitted.

(f) Action by Written Consent in Lieu of Meeting.

(i) Any action required by the Act to be taken at a meeting of the Board of Directors or any action that may be taken at any meeting of the Board of Directors pursuant to the Act, the articles of incorporation, these Bylaws or otherwise, may be taken without a meeting if a consent in writing, setting forth the action to be taken, shall

be signed by a sufficient number of the Directors as would be necessary to take that action at a meeting at which all of the Directors were present and voted. (By way of example, general Board actions (excluding mergers and other actions which require approval by a majority of Directors in office under the Act) which could be approved by a majority of those present at a meeting at which a quorum is present would require the approval of greater than 50% of the Board of Directors if the action is taken by means of less than unanimous written consent.)

(ii) Each written consent shall bear the date of signature of each Director who signs the consent. A written consent signed by less than all of the Directors is not effective to take the action that is the subject of the consent unless, within sixty (60) days after the date of the earliest dated consent delivered to the Association in the manner required by this Section, a consent or consents signed by the required number of Directors is delivered to the Association at its registered office, registered agent, principal place of business, transfer agent, registrar, exchange agent, or an officer or agent of the Association having custody of the books in which proceedings of meetings of the Board of Directors are recorded. Delivery shall be by hand, certified or registered mail, return receipt requested, electronic mail, facsimile or similar means.

(iii) Prompt notice of the taking of any action by Directors without a meeting by less than unanimous written consent shall be given by the Secretary to all Directors who did not consent in writing to the action.

(iv) A telegram, telex, cablegram, or similar transmission by a Director or a photographic, photostatic, facsimile, or similar reproduction of a writing signed by a Director shall be regarded as signed by the Director for purposes of this Section.

(g) Telephonic Meetings. A meeting of the Board of Directors may be held by conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other at the same time. Participation pursuant to this Section shall constitute presence in person at such meeting, except where a person participates in the meeting for the express purpose of objecting that the meeting was not properly called.

(h) Electronic Communications Systems Meetings. A meeting of the Board may be held by any suitable electronic communications system, including videoconferencing technology or Internet, if each Director entitled to participate in the meeting consents to the meeting being held by such means and the system provides access to the meeting in a manner or using a method by which each Director participating in the meeting can communicate concurrently with each other participant.

Each ballot sent to the Directors shall be accompanied by a return envelope marked "Officers Ballot" and addressed to the selected accounting firm, if one is used.

(5) If an accounting firm is used, that firm shall tabulate the ballots and certify and deliver results to the Association's office on or before August 20. The officers so elected and certified shall assume office on January 1 of odd numbered years.

(f) Vacancies. In the event of the death, resignation, removal or disability of any officer, the vacancy shall be filled by the Executive Committee for the balance of the unexpired term, except upon the death or resignation of the President, the Vice President shall automatically become the President.

Sec. 1 - EMPLOYMENT. The Executive Committee shall employ an Executive Director for the Association, who shall be responsible to the Board of Directors and to the Executive Committee when the Board is not in session. The Executive Director need not be a Director of the Association.
